

Cub Scouts Pack #3977

Wow! Those rockets were cool! I had a great

time on Saturday! Thank You!

Now we have to look forward to our next event.

No Camping this weekend! Sorry, but we can stay home and stay warm.

Pack Night is October 30th- It starts at 7:00pm. We understand if you have to be late, but we are going to try very hard to get Pack Nights started on time.

So you jump in when you get there. Don't forget your wreath orders, if you haven't turned them in at the office.

DON'T FORGET TO WEAR A COSTUME! AKELA'S TOO!

We are going to be playing games!

Akela's can donate candy if they like, it is optional!

We want everyone to bring in something for the Soldiers Overseas! We have collected six items for them so far and we know that we can all do better. The list is printed on the opposite side of this flier. PLEASE!

Thank You!
