W.I.L.D.K.A.T. CAMP ENROLLMENT

Parents,

Though it feels like winter it is time to begin thinking about your family's summer schedule. W.I.L.D.K.A.T.S. Camp is planning a fun filled summer for students and entering kindergarten through 6th grade. Camp runs June 21st- August 6th from 7:00 AM – 6:00 PM.

We welcome you to join us in the adventure. W.I.L.D.K.A.T.S. is an acronym for Wild In the Lord Discovering Kids Active Throughout Summer.

Camp is designed for students to nurture faith and friendships through the motto "Let us go forward and walk the walk and talk the talk in Jesus Christ." This motto sometimes quietly and other times delightfully loud encompasses students through their Day Camp adventures. Each week is filled with carefully designed education, workshops, field trips, swimming, outdoor activities and crafts to help integrate this motto into everyday practice.

Students do not need to be enrolled at St. Paul Lutheran School during the school year to attend camp.

For further W.I.L.D.K.A.T.S. Camp information, please see the attached enrollment form. If you have any questions regarding W.I.L.D.K.A.T.S. Day Camp, please feel free to call me at 708-867-5044.

In Christ's service,

Carolyn Klocek

Coordinator
