

## Service Learning Report Form

**Requirements:** The confirmad is required to do 12 hours worth of service projects in each of their two years of Confirmation prep. Half of these service projects must be for the church and half must be for the community. We have this requirement to encourage our young people to see that service is a major part of Christian discipleship. Once a service project is completed, please fill out this form and return it to Pastor.

**Type of Service:** *(Circle the type of service learning.)*

Service outside of the congregation

Service within the congregation
