In reserving a spot on the Workcamp team, I agree to...

- ❖ Pay the entire amount of the mission trip (\$500.00). Some of the cost will be offset by fundraising. It is important, however, that each family understands they are responsible for the cost of their youth's trip.
- ❖ Include a non-refundable check of \$75 with this form in order to reserve a spot. Forms will NOT be accepted without a deposit.
- ❖ Physically assist in any and all fundraising events. Failure to participate can result in a reduction of funds or no funds awarded.
- ❖ Attend any informational meetings and training sessions for Workcamp participants.
- ❖ Inform the leadership of the Workcamp team as soon as possible if I am, for whatever reason, unable to attend Workcamp.

We have read and understand these guidelines for participation in the 2011 Workcamp Mission Trip.
